## **WELCOME**

The Chippewa Local School District Board of Education welcomes and encourages parents, students, staff members, and interested citizens to attend Board meetings. The Board decisions affect our children's education and the future well-being of our community. Thank you for attending.

## **EDUCATIONAL PHILOSOPHY**

The Board believes that education should contribute to the continuous improvement of our democratic society through the development of concerned, contributing and patriotic citizens.

The dignity and worth of the individual should be respected and each individual should be given the opportunity to participate in our society to the best of his/her ability.

The educational program should exist within an environment that is conducive to the maximum intellectual, physical, social and emotional development of all youth.

Our ultimate responsibility lies with developing each individual student to his/her fullest potential so that each graduate becomes a productive, effective and responsible adult in our society.

Our school must provide exposure to experiences that enable students to live as contributing members of the local community, our state and our nation.

## **MISSION**

The Chippewa Board of Education has a mission to provide a learning environment that explores all opportunities available to effectively meet the lifelong educational needs of our students and community while accomplishing educational goals which are significant, durable, transferable, and measurable.

## **THE BOARD OF EDUCATION**

The Chippewa Local School District is classified as a local school district governed by a locally elected Board of Education. The Board of the Chippewa Local School District is composed of five members elected by the citizens of the District. A regular term is four years.

The Board acts as the governing body of the school district. The Board has the responsibility for operating the District in accordance with the desires of local citizens who elect its members.

The Board's major responsibilities are to employ and evaluate a superintendent and a treasurer, adopt an annual budget, provide needed facilities, consider/approve/reject the recommendations of the Superintendent, and, based on the recommendation of the superintendent and treasurer, makes decisions on building plans.

Board members elect a president and vice-president at their Organizational Meeting in January. The Regular Meeting dates for the year are also set at the Organizational Meeting.

Current members and year elected: TJ DeAngelis - 2018      Linda H. Fenn - 2016      Curtis Good - 2018  
Jeremiah Hershberger - 2020      Bernadette Rohr - 2018

## **QUESTIONS, CONCERNS, and CHAIN OF COMMAND**

Questions and/or concerns regarding individual students are initially addressed with the teacher. When needed, the next step is for the issue to be addressed with the Principal of the school. If required, the issue can be referred to the Superintendent. The Hazel Harvey and CIS handbooks are printed and distributed to each student. The Jr./Sr. High School student handbook is on-line at [www.chippewa.k12.oh.us](http://www.chippewa.k12.oh.us). The student handbooks contain the procedures for resolving student matters.

The procedure is effective as the issue is addressed directly with the individuals immediately involved. When evaluating issues, the Board needs to address the issues from the stand point of how the issues impact all students within the district and the total educational program.

## **THE SUNSHINE LAW – Executive Session**

The Sunshine Law is a statutory amendment that contains significant items. It requires an Executive Session is held only by a roll call vote. The motion for an Executive Session must state the reason/s listed in the statute is/are the purposes for the Executive Session. The motion does not need to include the individual name/s which may be considered in the Executive Session. Any person may bring an action to enforce the statute, and the amendment provides for inductive relief and attorney's fees, plus a civil forfeiture of \$100. Should the court determine that the action seeking to enforce the Sunshine Law was frivolous, it may award costs and attorney's fees to the public body.

The reasons for an Executive Session are:

- (1) to consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee or regulated individual-individual name/s are not included;
- (2) to consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest;
- (3) conferences with an attorney for the public body concerning disputes involving the public body that are subject to pending or imminent court action;
- (4) preparing for, conducting, or reviewing negotiations or bargaining session with public employees concerning their compensation or other terms and conditions of their employment;
- (5) matter required to be kept confidential by federal law or rules or state statutes;
- (6) specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing or avoiding prosecution for a violation of the law.

## **SCHOOL DISTRICT GOALS AND OBJECTIVES**

It is the intention of the Board to achieve the following in the governance and operation of the District:

1. provide educational programs, services and instruction that permit each student to reach full intellectual, physical, moral, emotional, aesthetic and social potential;
